Art Unit: 2876

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 11/12/04 has been entered.

2. Claims 1-36 remain allowable over the prior art of record for the same reasons a previously set forth.

3. This application is in condition for allowance except for the following formal matters:

The current drawings (originally filed 8/19/1999, and proposed drawing corrections of 4/2/04) are objected to, as there are copy lines through figures 7-15, 17, 20-27, 31, 32, 34-36. The examiner notes that this may have been done during the process of scanning the current application into an electronic file. Nonetheless the copy lines are prevalent within the listed figures. A clean copy of the figures is requested.

Also, in the amendment of 1/7/04, Applicant suggested that a substitute specification was submitted. However, no such substitute specification is found. Again this may have occurred during the electronic file scanning procedure. A copy of the substitute specification is requested.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
